**Welding Machines
for
Storage Industry**

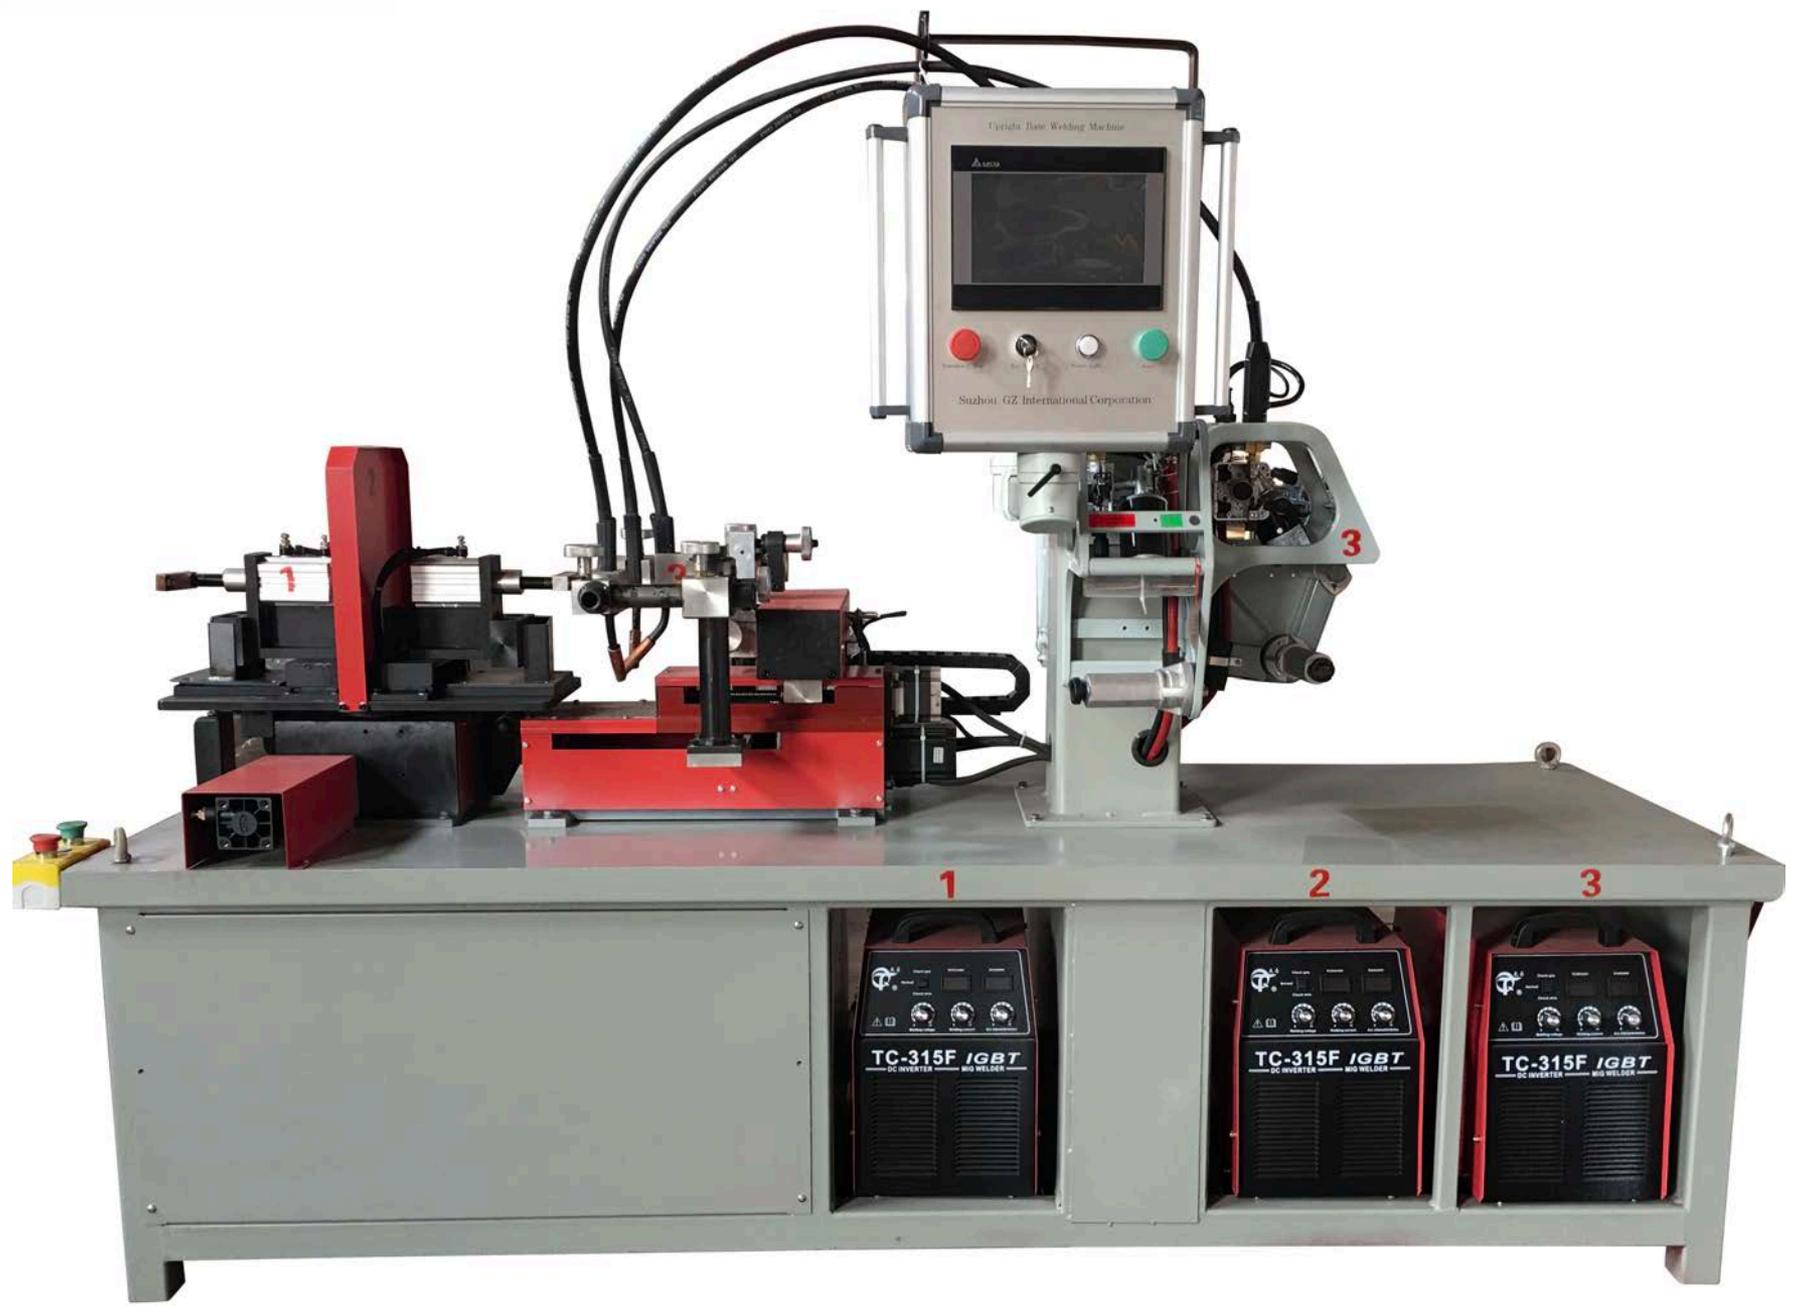

3 Edges Beam Welding Machine

This machine can weld Step Beam, Box Beam, C Channel Beam etc, welding 2 sides, 3 sides and 4 sides. 60 to 90PCS per hour.
Operation Video: <https://youtu.be/yroxNx6vCzI>

Upright Base Welding Machine

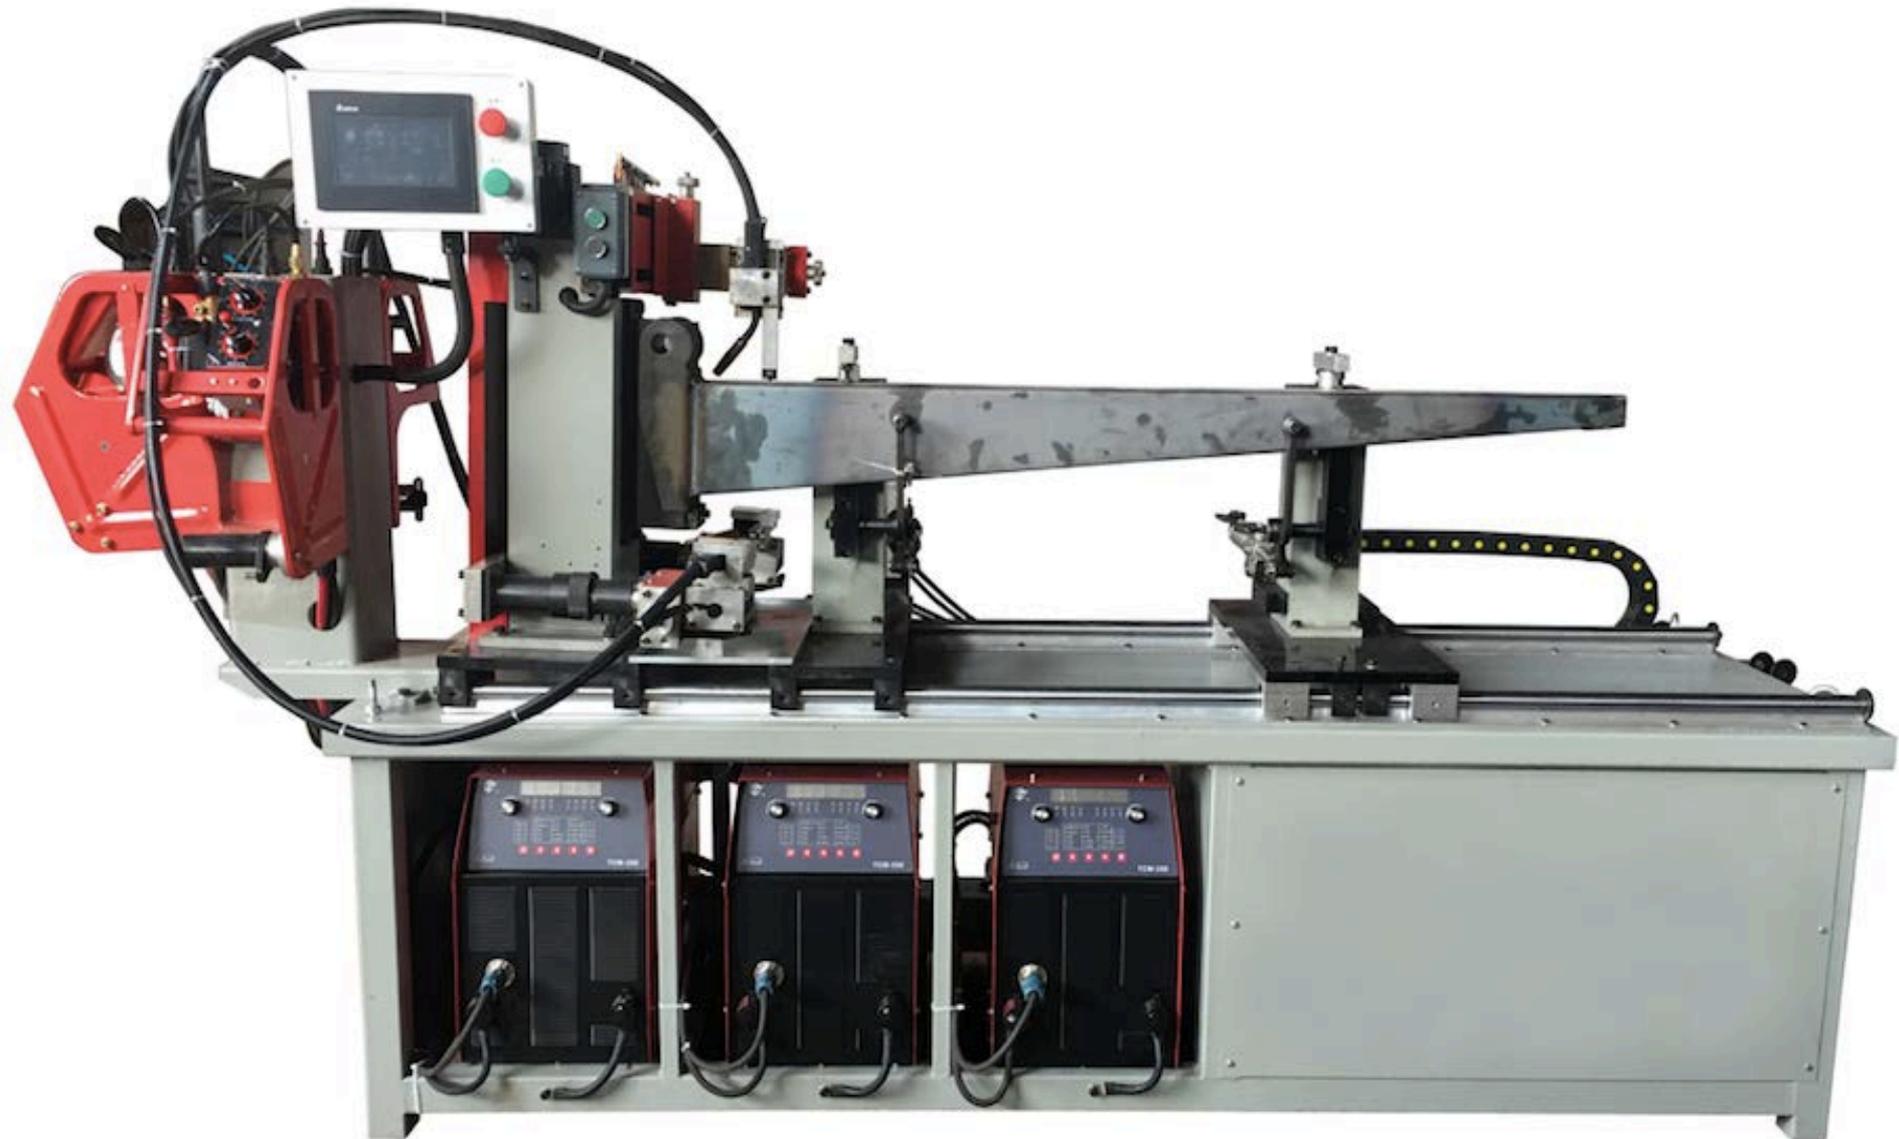

This machine is used to weld Upright Base, faster and better quality.

Welding Speed : 3PCS/min(90*40mm)

Machine Size : 2.4m*0.8m*2m

Operation Video: <https://youtu.be/jJHanHHeY4M>

Cantilever Rack Welding Machine

This machine is used to weld cantilever rack, faster and better quality.

Welding Speed : 1PCS/min

Operation Video: <https://youtu.be/vF8lqocf260>

Introduction

Suzhou GZ International Corporation specialized in manufacturing Roll Forming Machine and welding machine for Beam, upright base, shuttle beam and cantilever rack etc.

Our clients:

SSI SCHAEFER, DEXION, LINKMISR, AGUIA, ESTRAL, JMROMO, POLIMETAL, PALIAN, ACROW, KROST, PRESTAR, SPERRIN, PLUMAG, ZILRACK, SOTIC, LONGA, APC etc.

Any interests, please feel free to contact us.

Nice day.
